

1. Write as a fraction or mixed number in simplest form.

0.8

2. Write as a fraction or mixed number in simplest form.

0.72

3. Write as a fraction or mixed number in simplest form.

2.82

4. Write as a fraction or mixed number in simplest form.

0.9

5. Write as a fraction or mixed number in simplest form.

0.2

6. Write as a fraction or mixed number in simplest form.

0.81

7. Write as a fraction or mixed number in simplest form.

3.75

8. Write as a fraction or mixed number in simplest form.

1.68

9. Write as a fraction or mixed number in simplest form.

0.4

10. Write as a fraction or mixed number in simplest form.

0.55

11. Write as a fraction or mixed number in simplest form.

4.26

12. Write as a fraction or mixed number in simplest form.

6.95

13. Write as a fraction or mixed number in simplest form.

0.15

14. Write as a fraction or mixed number in simplest form.

1.62

15. Write as a fraction or mixed number in simplest form.

5.25

16. Write as a fraction or mixed number in simplest form.

0.94

17. Write as a fraction or mixed number in simplest form.

0.3

18. Write as a fraction or mixed number in simplest form.

0.32

19. Write as a fraction or mixed number in simplest form.

8.66

20. Write as a fraction or mixed number in simplest form.

0.64

21. Write as a fraction or mixed number in simplest form.

0.7

22. Write as a fraction or mixed number in simplest form.

2.44

23. Write as a fraction or mixed number in simplest form.

0.25

24. Write as a fraction or mixed number in simplest form.

0.28

25. Write as a fraction or mixed number in simplest form.

0.11

26. Write as a fraction or mixed number in simplest form.

7.72

27. Write as a fraction or mixed number in simplest form.

3.25

28. Write as a fraction or mixed number in simplest form.

0.10

29. Write as a fraction or mixed number in simplest form.

0.33

30. Write as a fraction or mixed number in simplest form.

0.50

31. Write as a fraction or mixed number in simplest form.

0.6

32. Write as a fraction or mixed number in simplest form.

0.76

33. Write as a fraction or mixed number in simplest form.

0.49

34. Write as a fraction or mixed number in simplest form.

0.58

35. Write as a fraction or mixed number in simplest form.

4.16

36. Write as a fraction or mixed number in simplest form.

5.95

37. Write as a fraction or mixed number in simplest form.

6.35

38. Write as a fraction or mixed number in simplest form.

7.18

39. Write as a fraction or mixed number in simplest form.

0.29

40. Write as a fraction or mixed number in simplest form.

0.98

42. Write as decimal.

$$\frac{16}{20}$$

42. Write as decimal.

$$\frac{16}{20}$$

42. Write as decimal.

$$\frac{16}{20}$$

42. Write as decimal.

$$\frac{16}{20}$$

42. Write as decimal.
